**Hunger in America. What can we do to help?**

Gifts from Above Food Ministry was founded in April, 2009. We provide food assistance to our local Alamance County and Orange County residents in need. Our mission is to provide groceries and share the love of Jesus Christ to families that have no place else to turn. Many middle class families are not able to get any assistance from government programs and so we help with their urgent food needs.

**THE REASON:** In the spring of 2009, it came to our church's attention from a close neighbor here in our Southern Alamance County area, that there was a great need for food for struggling families.

- ▶ **THE BEGINNING:** Gifts from Above began by seeing this need of our fellow citizens and then asking our church members to supply that need. They were able to donate enough food to fill fifty bags. Supplying each bag with breakfast, lunch and dinner.

- ▶ **THE GIFT:** Our food ministry will provide emergency food support along with God's blessing for our local community. With an increase in the number of families in need, this ministry will be there for families all year round.

**THE BELIEF:** Is that God has sent us a “Gift from Above” to help our fellow brothers and sisters in need and changing lives with the gospel and sharing God’s love giving people the hope, love, faith and strength that is needed during their times of struggles and hardships.

**AMOUNT OF FOOD PROVIDED:** Each bag will provide enough groceries for a family to have at least three meals a day for five days, based on a nutritionally balanced diet.
